

## Panel Profiles

### R-Loc™

This 26 gauge commercial panel is an excellent choice for projects that require commercial grade performance. R-Loc™ is designed to maximize the potential of your structures, specifically the steel frame. R-Loc™ has an added purlin bearing rib, you can count on easier installation and a more pleasing appearance.

### Panel-Loc Plus™

Panel-Loc Plus™ is a low rib (3/4") panel which provides durable performance with an added striation on top of the rib that gives it even more strength. Panel-Loc Plus™ gives agricultural and light commercial projects, as well as residential roofs, the protection of steel with an attractive appearance.
